RE: SUP-41024 (1715 Fremont Street, Units 110-150)

Dear Mr. Golbari:

After reviewing the submitted application materials for Special Use Permit (SUP-41024), it has been determined that the application is incomplete. As such, it will be removed from any agenda for the Planning Commission until such time as a complete submittal is received. To complete the submittal, please submit the following revised documents:

1. Two 24"x36" site plans that clearly depict the area within the building that that is proposed for the use, as well as any proposed site changes. All property lines must be included in the plans. Per the submitted justification letter, the request is for units 110-150 in 1715 Fremont Avenue only (the "subject site"). The submitted site plan depicts both 1715 and 1735 Fremont Avenue, but does not depict the property line between the two properties, does not provide a parking analysis for the subject site and does not clearly indicate the requested building area of the proposed Auto Garage Repair (Major) facility on the subject site. You may include 1735 Fremont Avenue to show how the two properties function together for site circulation, etc., but it should be marked "Not a Part" as the subject site is limited to 1715 Fremont Avenue, unless you revise your justification letter to include 1735.
2. Two 24"x36" revised floor plans that depict the total floor area of all suites proposed for the Auto Repair Garage (Major) use. Currently, the submitted floor plans do not match the area of the building requested in the justification letter.
3. One reduced black and white laser print (8-1/2" x 11") of both the revised site plan and floor plan is also required.

4. There is chain link fencing and razor wire located on the site. Please revise your site plan or your justification letter to request that the fencing remains, or that it is to be removed. Any fencing on the site that impedes site circulation (i.e. creates a "dead-end" situation) will have to be removed.

If a complete application is received no later than noon on Wednesday, 03/16/11, then it will be placed back on the agenda for the 04/12/11 Planning Commission meeting. If you have questions, or would like to meet to discuss these requirements, please contact the planner assigned to the case, John Grider, at 229-6301.

Overview

The property located at 1715-1735 Fremont St. Las Vegas has been an automotive complex for more than 20 years. Bel-Air RG LLC et als purchased the property in June 2007, which is commonly referred to as Downtown Vegas property. Previous tenants were Mendoza Auto Sales, Vallarta Auto Sales, Bruce Transmission, P & P Brake. As the economy worsens, these tenants left the premises without any prior notice or approval from the Landlord.

In June 2009, the City issued a new Naming and Address Assignment to properly separate each unit for proper identification.

Address:	1715 Fremont unit 110,120,130,140,150
Location:	The units or bays are located within the complex. It is not visible from Fremont St. or Bruce St. Access is through the Bruce St. driveway and from the alley.

Use:	Auto Body repair - major

Hours of operation will be from 9am to 6pm. Days of operation shall depend on the tenants.

We would appreciate if you grant special use permit for the property at the soonest possible time. For any clarification, feel free to call our office at phone number 213-927-2700.
