Re: Zone Change and Site Development Plan Review
APN: 139-34-710-029

To whom it may concern:

The purpose of this letter is a request a Zone Change and Site Development Plan Review for the property located at 424 South 7th Street in Las Vegas, Nevada 89101.

Architectural plans depict 25 covered parking stalls with adjacent landscaping. The applicant's intention is to install surface parking and lease the spaces to the adjacent land owner to support their proposed law office project. In order to develop the site as a satellite parking lot, the parcel will need to be re-zoned from R-3 to P-R. The rezone is consistent with development in the downtown area, as every other parcel on this block has already been re-zoned to commercial.

The applicant has structured a lease agreement with the property owner at 400 S. 7th Street. The lease has a 19 year term, with an additional 9 year option, and first right of refusal to purchase the property.

A driveway entrance will be provided from both 7th Street and the Alley. A waiver of standard is requested for the driveway entrance from 7th Street as shown on the site plan. Please refer to the attached site plan.

Required landscaping, conforming to Title 19, will be provided on the property, and is shown on the landscape plan. A landscape buffer of 8'-0" is provided along the property line to the south where the new development is adjacent to a less intensive use. A waiver for the front landscape setback along 7th Street is requested to allow 13' where 15' is required. Please refer to the attached landscape plan.

We appreciate your assistance in moving forward with these modifications to the previously approved project.

Re: Zone Change and Site Development Plan Review
APN: 139-34-710-029

To whom it may concern:

The purpose of this letter is a request a Zone Change and Site Development Plan Review for the property located at 424 South 7th Street in Las Vegas, Nevada 89101.

Architectural plans depict 25 covered parking stalls with adjacent landscaping. The applicant's intention is to install surface parking and lease the spaces to the adjacent land owner to support their proposed law office project. In order to develop the site as a satellite parking lot, the parcel will need to be re-zoned from R-3 to C-1. The rezone is consistent with development in the downtown area, as every other parcel on this block has already been re-zoned to C-1.

The applicant has structured a lease agreement with the property owner at 400 S. 7th Street. The lease has a ten year term, with a 9 year option, and first right of refusal to purchase the property.

A driveway entrance will be provided from both 7th Street and the Alley. A waiver of standard is requested for the driveway entrance from 7th Street as shown on the site plan. Please refer to the attached site plan.

Required landscaping, conforming to Title 19, will be provided on the property, and is shown on the landscape plan. A landscape buffer of 8'-0" is provided along the property line to the south where the new development is adjacent to a less intensive use. A waiver for the front landscape setback along 7th Street is requested to allow 13' where 15' is required. Please refer to the attached landscape plan.

We appreciate your assistance in moving forward with these modifications to the previously approved project.

Sincerely,

Scott L. Brown, NCARB

LEASE AGREEMENT

THIS LEASE AGREEMENT ("Agreement") dated and is effective as of JUNE 1, 2011, is between EVAPS, LLC, a Nevada limited liability company ("EVAPS" or "Tenant"), and Daniel Ross, an individual ("Owner" or "Landlord").

1. Premises. Landlord owns a parcel of land located in the City of Las Vegas, County of Clark, State of Nevada, commonly known as 424 S. 7th St., Las Vegas, Nevada 89101-6902, (APN: 139-34-710-029) (the "Premises"). The Premises is more particularly described in Exhibit A attached hereto. Subject to the provisions of Section 2 below ("Effective Date/Due Diligence Period"), Owner hereby leases to EVAPS and EVAPS leases from Owner, the Premises and all other access and utility easements necessary or desirable therefore.

2. Effective Date/Due Diligence Period. This Agreement shall be effective on the date of full execution hereof ("Effective Date"). Beginning on the Effective Date and continuing until the Term Commencement Date as defined in Section 8.1 below ("Due Diligence Period"), EVAPS shall only be permitted to enter the Premises for the limited purpose of making appropriate engineering and boundary surveys, inspections, and other reasonably necessary investigations and signal, topographical, geotechnical, structural and environmental tests (collectively, "Investigations and Tests") that EVAPS may deem necessary or desirable to determine the physical condition, feasibility and suitability of the Premises. In the event that EVAPS determines, during the Due Diligence Period, that the Premises are not appropriate for EVAPS' intended use, or if for any other reason, or no reason, EVAPS decides not to commence its tenancy of the Premises, then EVAPS shall have the right to terminate this Agreement without penalty upon written notice to Owner at any time during the Due Diligence Period and prior to the Term Commencement Date. Owner and EVAPS expressly acknowledge and agree that EVAPS' access to the Property during this Due Diligence Period shall only be allowed after providing prior written notice to Owner at least Twenty-Four (24) hours prior to any such entry, shall be solely for the limited purpose of performing the Investigations and Tests, and that EVAPS shall not be considered an owner or operator of any portion of the Premises, and shall have no ownership or control of any portion of the Premises (except as expressly provided in this Section 2), prior to the Term Commencement Date. EVAPS shall be liable for any personal injury, and for any damage to neighboring property, resulting from the tests that EVAPS conducts. If EVAPS declines to lease the Premises, EVAPS shall restore the Premises as closely as is reasonably possible to the state it held just prior to the EVAPS tests.

3. Use. The Premises may be used by Tenant for the construction, maintenance and operation of parking related facilities and structures. During construction on the Premises or on nearby property owned by Tenant, the Premises may be used by Tenant for a construction office, for parking of construction vehicles, and for storage of equipment and supplies used in the construction. Landlord agrees, at no expense to Landlord, to reasonably cooperate with Tenant, in making application for and obtaining all licenses, permits, easements, and any and all other necessary approvals that may be required for Tenant's intended use of the Premises, but that any and all construction on the Premises shall be subject to Landlord's pre-approval of related plans and specifications, such pre-approval not to be unreasonably withheld. Landlord pre-approval of proposed construction shall be limited to general propriety. Landlord shall not pre-approve, approve, or oversee design details, engineering aspects, or construction, and Landlord shall not be liable for any defects therein.

4. Rent. Rent shall be due and payable within fifteen (15) business days following the Term Commencement Date and on the first day of each month thereafter. Tenant shall pay to Landlord as monthly rent, the (arithmetic) product of Two Thousand Dollars and Zero Cents (\$2000.00) multiplied by a Multiplying Factor. The Multiplying Factor during the initial year of the Term shall be exactly one (1.0). At each subsequent anniversary

of the Term Commencement Date, the Multiplying Factor shall be recalculated as follows. The new Multiplying Factor shall be the greater of either (i) the ratio of C-CPI-U for June of the anniversary year, divided by C-CPI-U for June 2011, where C-CPI-U is one of the consumer price indices calculated and disseminated by the United States Bureau of Labor Statistics, or else (ii) a 2% annual increase compounded annually since the Term Commencement Date, calculated as 1.02 raised to the power of the number of years in the anniversary. Rent for any fractional month at the end of the Term shall be prorated. Rent shall be paid to Landlord at the same address as is specified for Notices in Section 15 below. Tenant's rent obligation is contingent upon Landlord providing Tenant with an accurate and executed Internal Revenue Service form W-9.

5. Improvements. Tenant has the right to construct, maintain, install, repair, secure, replace, remove and operate on the Premises any desired facilities within the scope of Section 3 above including, but not limited to, surface parking facilities, parking structure(s) and foundation(s), utility lines, lighting, parking meters and related equipment, electronic equipment and equipment shelter(s), a power generator and generator pad, and supporting equipment and structures therefore ("Tenant Facilities"). In connection therewith, Tenant has the right to do all work necessary to prepare, add, maintain and alter the Premises for Tenant's parking operations. All of Tenant's construction and installation work shall be performed at Tenant's sole cost and expense and in a good and workmanlike manner. Tenant shall indemnify and hold Landlord harmless for all claims against the property arising from Tenant's construction on the Premises, including any mechanic's liens related to Tenant's construction. Either party to this Agreement, upon receiving official government notice of noncompliance or receiving a mechanic's lien, shall promptly notify the other party. Such notification shall include the full text of the government notice or of the lien.

6. Access and Utilities.

6.1 During the Term of the Agreement, Landlord shall provide Tenant, Tenant's employees, agents, contractors, subcontractors and assigns with access to the Premises twenty-four (24) hours a day, seven (7) days a week. Landlord grants to Tenant, and Tenant's agents, employees and contractors, a non-exclusive right and easement for pedestrian and vehicular ingress and egress across the Premises. Tenant shall be solely responsible for all of Tenant's employees, agents, contractors, subcontractors and assigns on the Premises and Landlord shall have no legal liability or responsibility whatsoever for the same during the Term of the Agreement, nor for the consequences of access, use, or abuse, unauthorized by either Landlord or Tenant.

6.2 Tenant shall be responsible for all maintenance and repairs to the Premises at Tenant's sole costs and expense, except for any damage to the Premises caused by Landlord.

7. Taxes. Tenant shall pay when due, all real property taxes and all other taxes, fees and assessments attributable to the Premises or this Agreement during the Term of this Agreement.

8. Duration.

8.1 The rental aspect of this Agreement shall commence on August 1, 2011 ("Term Commencement Date"). The Term Commencement Date is its own 0th (zeroth) anniversary.

8.2 In the absence of any Notice of Non-Renewal, described in Section 8.4 below, or of any termination, described in Sections 8.5 and 8.6 below, this Agreement shall automatically renew itself on each anniversary of the Term Commencement Date, starting with the 0th (zeroth) anniversary. Automatic renewal shall not occur after the effective date of a Notice of Non-Renewal or of a termination.

8.3 In the absence of any termination, described in Sections 8.5 and 8.6 below, the duration of this Agreement shall continue for 10 years after the most recent automatic renewal of this Agreement.

8.4 At any time in the duration of this Agreement, either the Landlord or the Tenant may deliver a written "Notice of Non-Renewal" to the other party. The Notice of Non-Renewal must be clearly labeled as such, must contain clear reference to this Agreement, and must be signed by the issuer. No notice for non-renewal is needed. The Notice of Non-Renewal becomes effective on the date of its constructive receipt.

8.5 This Agreement may be terminated without further liability on thirty (30) days prior written notice by either party upon a default of any covenant or term hereof by the other party, which default is not cured within sixty (60) days of receipt of written notice of default, except that this Agreement shall not be terminated if the default cannot reasonably be cured within such sixty (60) day period and the defaulting party has commenced to cure the default within such sixty (60) day period and diligently pursues the cure to completion; and except that the grace period for any monetary default is ten (10) days from receipt of written notice.

8.6 This Agreement may also be terminated by Tenant without further liability on thirty (30) days prior written notice if Tenant is unable to reasonably obtain or maintain any certificate, license, permit, authority or approval, excluding zoning change or variance, from any governmental authority, thus, restricting Tenant from installing, removing, replacing, maintaining or operating any Tenant Facilities within the scope of Section 3 above, or from otherwise using the Premises in the manner intended by Tenant and within the scope of Section 3 above.

8.7 Any notice of termination must be clearly labeled as such, must contain a clear reference to this Agreement, must state the cause for termination, must identify the provision in this Agreement that authorizes termination for the stated cause, and must be signed by the issuer.

9. Right of First Refusal. In the event Owner dies during the term of this Agreement, this Agreement shall remain in full force and effect. Upon death of the Owner, Tenant shall have the exclusive right of first refusal to purchase the Premises for an amount equal to the highest qualified bid at public auction of the Premises.

10. Condemnation. If the Premises or Tenant Facilities are condemned or transferred in lieu of condemnation, not through the fault of Tenant, Tenant may elect to terminate this Agreement by providing written notice to Landlord, at which time all obligations of Tenant as contained in this Agreement shall immediately cease.

11. Insurance; Subrogation; and Indemnity.

11.1 Tenant shall provide Commercial General Liability Insurance in an aggregate amount of One Million Dollars (\$1,000,000.00) naming Landlord as an additional insured under such policy of insurance. Tenant may satisfy this requirement by obtaining the appropriate endorsement to any master policy of liability insurance Tenant may maintain.

11.2 Tenant shall be solely responsible for all damages caused to any party based upon Tenant's use of the Premises or its conduct or the conduct of Tenant's employees, agents, contractors, subcontractors, assigns, including liability for all tax liens, mechanic's liens, and injury or property damage.

12. Assignment. Tenant may assign this Agreement at any time with notice to be provided to Landlord as soon thereafter as reasonably possible provided that Landlord consent in writing to the same, such consent not to be unreasonably withheld.

13. Title and Quiet Enjoyment.

13.1 Landlord represents and warrants that (i) it has full right, power, and authority to execute this Agreement, (ii) Tenant may peacefully and quietly enjoy the Premises and such access thereto, provided that Tenant is not in default hereunder after notice and expiration of all cure periods, (iii) it has informed Tenant that it is unaware of any necessary approvals and consents, and has taken all necessary action to enable Landlord to enter into this Agreement and to allow Tenant to install and operate any parking facilities on the Premises, and (iv) the Premises and access rights are free and clear of all liens, encumbrances and restrictions except those of record as of the Effective Date.

13.2 Tenant has the right to obtain a title report or commitment for a leasehold title policy from a title insurance company of its choice. If, in the opinion of Tenant, such title report shows any defects of title or any liens or encumbrances which may adversely affect Tenant's use of the Premises, Tenant shall have the right to terminate this Agreement immediately upon written notice to Landlord.
