Dear Planning Department,

KME Architects, LLC, on behalf of our client Judith Pena, we request a variance for the existing set back requirements where 5'-0" is required. A portion of the existing building is 4'-3" from the existing property line as shown in the attached drawing.

We also request a variance for the parking and landscape requirements. The proposed plan shows 4 on-site parking spaces in which 7 are required by code. The function of the proposed attorney or accountant's office which this building will be used for only requires 4 spaces. We are anticipating that any additional parking can be utilized by street parking provided on Lewis Street.

We are requesting a rezone the existing property (APN # 139.35.413.100) from its current use of *Single Family Residence District (R-1)* to *Professional Offices and Parking (P-R)*.

If you have any questions or comments regarding this matter, please feel free to contact our office.

Sincerely Yours,

Emanuele Arguelles

Re: Pena Office Conversion, GPA-37567 (APN 139-35-413-100)

Justification Letter

Dear Planning Department,

KME Architects, LLC, on behalf of our client Judith Pena, is pleased to submit this request to rezone the existing property (APN # 139.35.413.100) from its current use of *Single Family Residence District (R-1)* to *Professional Offices and Parking (P-R)*. We additionally request a 0'-0" feet waiver for Landscape on the South and East side of the property where 15'-0" is required and a waiver for all landscape requirements due to the lot constraints. Making the site smaller would create an undue hardship on the applicant due to the existing conditions.

Mrs. Pena, a long time residence of Las Vegas, intends to improve the existing 1,890 SF home into a small tax business and/or an attorney's office. These offices will have normal office hours of 8am – 5pm Monday through Friday. Secondly, there will be no excessive amount of paper or other material that would cause the site to need a larger trash receptacle. The owner is in the process of obtaining a letter from Republic Service that will state normal residential service will continue for this address. Lastly, the majority of the clients will be by appointment so as not to cause any additional need for parking along the street. The previous use for this existing house was a church / place of worship and the parking lot was previously paved to provide for parking spaces.

The surrounding properties are General Commercial District (C-2) on the NE side, Limited Commercial District (C-1)/Apartment Residence District (R-4) at the SE Corner, and Professional Offices and Parking (P-R) on the SW Corner. The rezoning of parcel 139.35.413.100 will fit in with the existing zoning layout without causing any additional stress or traffic to the neighborhood. Lastly we request a waiver of Landscape conditions as the site is .16 acres (6,969sf) which is approximately 73% lot coverage.

If you have any questions or comments regarding this matter, please feel free to contact our office.

Sincerely Yours,

Kelvin Haywood

Att: Kelvin Haywood:

Re: property ar 222 Bruce where applications filed incl; SDR-37569 - GPA-37567

It is our understanding this property was an illegal conversion to a duplex for residential purposes which caused excessive occupancy and behavioral patterns, neighborhood disturbances, illegal activities and eventually a 2008 property foreclosure.

The current applications indicate an effort to upgrade the property for professional purposes only and thereby improving the neighborhood. It is our understanding that the request for a reduction in parking spaces from six to four spaces allows the developer/applicant to perform a lesser amount of landscaping. It would appear that these renovations would greatly improve this property from it's present condition. We would ask and encourage the applicant to select a suitable exterior paint job that blends in with the existing neighborhood surroundings and not look like a property in downtown Havana, Cuba or Tijuana, Mexico.

At this time we see no further involvement or attendance required by this organization in regards to this property mentioned or it's applicants.

Sincerely,
Donald Fondriasopolous/President-Resident Agent.
