GWE Consulting Inc

JUSTIFICATION LETTER

1. *The proposed use is compatible with existing land uses on the same property and the surrounding properties;*

The parcels are located on undeveloped desert land. The proposed use for this site is a storage and processing area for cement, aggregate and soil materials. The adjacent property has a concrete batch plant erected onsite. A concrete batch plant will also store and process aggregate materials and will produce cement. The proposed use is compatible with the existing land uses in the area.

2. *The subject site is physically suitable for the type and intensity of the use being proposed;*

The site is located away from residential areas and has no other use at this time. The proposed use will not physically damage the site nor will it make it unsuitable for development at a later date.

3. *There will be adequate public access to the site and adequate provision for on-site parking;*

There is an ingress off of Skypoint Drive southeast of the intersection of Skypoint Drive and Moccasin Road. There is an ingress/egress located off of Moccasin Road east of the intersection of Skypoint Drive and Moccasin Road. There is adequate area for parking if necessary.

4. *The application is not a continuation of consecutive applications or otherwise an attempt to circumvent the limitations of Title 19.*

This is an initial application and is not a continuation of consecutive applications. This is also not an attempt to circumvent the limitations of Title 19.
