RE: Letter of Justification for Haunted Attraction Temporary Signage

Dear Mr. Reed,

Please consider this my justification letter pertaining to the temporary signage for the haunted attraction I am producing called **Zombie Precinct:Screamont East**. Again, it is to take place in the fenced in parking lot on the southwest corner of Fremont and 7th Streets within the Fremont East Entertainment District. The lot belongs to the El Cortez which has given written permission to utilize the lot for the event. The official address is 645 Fremont Street, Las Vegas, Nevada 89101.

To reiterate, the days of operation will be from October ^{7th} ~~14~~ through November 2, 2011. Setup will commence early October, 2011. Hours of operation will be from 6pm to 2am.

Signage will consist of...

1. An entry banner sign of logo fixed atop the front of the ticket booth which will be inside the fence. It will be suspended between 2 fully secured extension poles attached to the top front part of the booth.
2. ~~Several~~ 3' x 8' (approximate) banners attached to the outer fence along the fence's perimeter facing Fremont Street. These will be for sponsors and haunt related promotion.
3. ~~10~~ Various promotional, instructional and directional banners and signs spread throughout the haunt itself.

There will also be lighting placed inside the fence to illuminate the above mentioned signage and enable the location to be seen and located. They will be placed strategically away from the reach of patrons.

As previously mentioned, **Zombie Precinct:Screamont East** is a seasonal attraction that will enhance the already developing Fremont East in a positive way, diversifying the scope of events that already take place there.

Please feel free to contact me with any questions. Thank you for your consideration.

Sincerely,

Gary Sax
