Re: Justification Letter for Temporary Sign Permit

To whom it may concern,

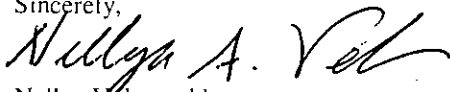

Regarding a temporary sign for Dolphin Court Salon and Day Spa, I am putting my formal request to you in writing. We are a small salon & day spa that contains fifteen employees. We are open seven days a week; from 9am to 5pm on Sundays and Mondays and 9am to 8pm Tuesdays to Saturdays. Every year that we have been open we have placed a banner in front of our establishment to let the public know that we sell gift certificates for Mother's Day. This banner helps our business in an immeasurable way. There are so many people that don't realize that we offer these gift certificates, and without making the public aware we lose out on a very valuable source of income. Our gift certificate sales make up a sizeable portion of our net profits throughout the entire year, but on special occasions, such as Mother's Day we really try to do as much gift certificate sale business as we can. However, that endeavor will be seriously impeded if we can't let the public know that we offer these gift certificates. When we sell gift certificates we have the opportunity to introduce new clients to our spa and our technicians. We then have the opportunity to turn these first time clients into regular clients that will support our technicians and our spa in the long term. We ultimately have two goals, one is to provide the best customer service possible to all of our clients and two, is to ensure that we provide our technicians a steady source of clients to maintain their business and our business.

When we display our banners we place them directly in front of our business so that it does not impede with any other businesses and is compatible with the surrounding businesses in our shopping plaza. Our building is structurally sound to support the placement of our banner and it poses no risk of compromising the health & safety of any of the proprietors or customers of the plaza.

We are asking that the planning and development department take our reasons into consideration while making their determination and realize how terribly important this advertising is to our business. Our business has taken a dramatic downturn during these hard economic times, anything and everything that we can do to ensure that we cultivate business is so vital for our survival. We must pursue every measure possible to help increase our business and clientele and placing a banner in front of our business has been a proven measure to let the general Summerlin and surrounding areas know of our gift certificate sales. We are asking that the banner be on display from April 22nd to May 12th; that is a total of 21 days. That amount of time will give the viewing public enough time to see our banner and take advantage of Mother's Day Gift Certificates.

We thank you for your time and consideration in regards to this matter. Please contact us as soon as possible when a decision has been made.

Sincerely,

Nellya Volostnykh
