FROM: ASHLEY HALL
EXECUTIVE DIRECTOR

SUBJECT: RESOLUTION OF THE CITY OF LAS VEGAS DOWNTOWN REDEVELOPMENT AGENCY DECLARING
THE PUBLIC NECESSITY FOR THE TAKING OF CERTAIN PROPERTY FOR DEVELOPMENT
PURPOSES

PURPOSE / BACKGROUND

In order to prepare the proposed project site specified in the Owner Participation Agreement (OPA) between the Agency and Marcor Development Company, it is necessary for the Agency to acquire certain parcels described in the attached Resolution (see attachment). These parcels possess environmental deficiencies and blight which will be removed as part of the preparation of the site for the Marcor project.

The Agency has found this site to be suitable for a development that will offer the greatest public good and the least private injury. Additionally, the owners of these parcels which will be acquired by the Agency will be offered just compensation for their real and personal property and leasehold interests. The attached Resolution authorizes the Agency to acquire real property identified therein either by a negotiated purchase and sale agreement or, if necessary, by exercise of the Agency's power of eminent domain.

FISCAL IMPACT

Execution of the Resolution has no fiscal impact on the Agency.

RECOMMENDATIONS

It is the recommendation of the Executive Director that the Agency adopt this Resolution declaring the public necessity for the acquisition of certain property.
