FROM: ASHLEY HALL/
EXECUTIVE DIRECTOR

SUBJECT: DISCUSSION AND POSSIBLE ACTION TO ADOPT A RESOLUTION OF THE CITY OF LAS VEGAS
DOWNTOWN REDEVELOPMENT AGENCY DECLARING THE PUBLIC NECESSITY FOR THE TAKING OF
CERTAIN PROPERTY FOR PURPOSES OF THE CHURCH STREET STATION PROJECT

PURPOSE/BACKGROUND

As part of the Owner Participation Agreement entered into between the Agency and Blackhawk Enterprises, Inc., the Agency has agreed to acquire certain parcels of land which are a part of the project site. The Agency will enter into negotiations with the property owners in an effort to acquire such property under mutually agreeable terms. In the event that the property owners do not accept the Agency's offer of just compensation, the Agency requests authorization pursuant to the attached Resolution to commence condemnation proceedings to acquire all rights, title and interest in the real properties identified more fully in said Resolution.

As a condition to adopting the Resolution, the Agency must find (i) that the redevelopment project set forth in the Owner Participation Agreement is planned and located in the manner that will be most compatible with the greatest public good and least private injury, (ii) that the acquisition of the real properties is for a public purpose, and (iii) that the owners have been offered just compensation for the acquisition of their property.

FISCAL IMPACT

Adoption and execution of the Resolution has no fiscal impact on the Agency.

RECOMMENDATIONS

It is the recommendation of the Executive Director that the Agency Board adopt this Resolution declaring the Public Necessity for the acquisition of certain properties for the Church Street Station Project.
