WHEREAS, that Plan, prepared pursuant to the federal Disaster Mitigation Act of 2000, identified potential hazards, the extent of the risks posed by the hazards, the vulnerabilities of each jurisdiction to these hazards, and actions to mitigate or reduce the potential impact of the hazards; and

WHEREAS, the City, by resolution, adopted the revised and updated Plan (the "2012 HMP") to assess risks posed by natural and human-caused hazards and to develop a mitigation strategy for reducing risks; and

WHEREAS, the 2018 HMP has been prepared in accordance with the provisions of the Disaster Mitigation Act of 2000 and other applicable statutes and regulations, and has been prepared as well in conjunction with, and following input from, other local jurisdictions, including the City; and
