

R-0822-1946

R E S O L U T I O N

Board of Commissioners of the City of Las Vegas, Nevada

WHEREAS, the State of Nevada proposes that a portion of the highway funds which it is to receive under the terms of the Federal-Aid Highway Act of 1944 from the United States Government, shall be allotted to the reconstruction and improvement of certain streets within the limits of the City of Las Vegas, Nevada and such improvements shall be effected at the earliest possible date; and

WHEREAS, detailed plans for the design of the improvement of North Main Street from the north curb line of Carson Street, projected, to Bonanza Road and for an improved intersection at the junction of Bonanza Road with North Main Street, for the improvement and construction of Bonanza Road from said intersection to a new intersection with North Fifth Street, of the latter intersection, and of a contemplated intersection with Second Street when the same is opened and constructed, have been prepared by the Department of Highways of the State of Nevada and drawings showing such designs have been presented to this Board of Commissioners for consideration, approval and adoption; and

WHEREAS, the proposed designs for said street and highway improvements as shown on the State Highway Department drawings, consisting of seven sheets, attached hereto, are recognized as making provision for a highly desirable civic betterment within and for the benefit of the City of Las Vegas, Nevada; now, therefore, be it

RESOLVED, that this Board of Commissioners approve and it hereby does approve and adopt the proposed alignment of the aforesaid suggested improvements, does approve and adopt the proposed typical sections designed for the

aforesaid suggested improvements, and does approve and adopt the design of the three intersections proposed; all as shown on the aforesaid drawings attached hereto and made a part hereof by reference; and be it further

RESOLVED, that the State of Nevada through its Department of Highways is hereby urged to make the contemplated improvements to the above designated city streets according to the aforesaid design and that thereafter said City of Las Vegas shall not permit said streets to be abandoned, closed, altered nor intersected until the approval thereof by the State Highway Department is first had and obtained.

On motion of _____,
seconded by _____, the foregoing
Resolution was passed and adopted this _____ day of _____, 1946.
