8 that holds a [tavern] full alcohol on-premise license is authorized to sell alcoholic beverages through a walk-

10 Center Boulevard and 4th Street alignments. Prior to the placement or construction of such window, a
11 licensee shall comply with all requirements of the Director, the Building Official and the Director of Public

14 locations that were licensed as taverns prior to April 1, 2022, and had commenced operating such a window
15 as of that date.

16 (B) Notwithstanding any provision in this Chapter to the contrary, the owner of an
17 establishment licensed to operate nonrestricted gaming that is also authorized to sell alcoholic beverages
18 upon the premises of that establishment pursuant to a [tavern alcoholic beverage] full alcohol on-premise
19 license may locate up to two qualifying bars upon an adjacent pedestrian mall, subject to the provisions set
20 forth in Subsections (C) to (G), inclusive, of this Section.

21 (C) For purposes of this Section, a "qualifying bar" means a temporary or permanent bar

2 be permitted for an establishment only if it is specifically approved by the City Council as an incident to the
3 establishment's [tavern] full alcohol on-premise license.

4 (F) The specific City Council approval referred to in Subsection (E) shall not apply to a
5 second qualifying bar that is either existing or under construction as of March 1, 2014.

6 (G) This Section, being codified as part of LVMC Chapter 6.50, is intended to address
7 business licensing issues only and does not purport to address property rights or to amend LVMC Chapter

22 of fifty dollars for each day past the deadline.

23 (F) A current employee list must be submitted at the beginning of each calendar year and such
24 list is required to be updated in the event of changes in employment levels between the date of the yearly

When the

1 amount of the reductions in the semi-annual license fees owed by a licensee reaches an amount that is

14 (3) No reduction of fees pursuant to this Section is available regarding any
15 license that was the subject of or involved in a trade-in program whereby a new license was obtained in place
16 of another without the payment of any amounts in the form of an origination charge.

7 notification shall include the reasons for the discontinuance. A temporary discontinuance shall not diminish
8 or modify the application and effect of the provisions of Title 19 pertaining to the discontinuance of cessation
9 of a use. [Any licensee who desires permanently to discontinue the alcoholic beverage operations of a
10 business and to sell its license may notify the Department of its desire to sell such license, and the Department
11 shall maintain a list of such licenses and make it available to any person who is interested in obtaining a
12 license. Any such licensee who desires to have the Department include the licensee on a list of non-
13 operational licenses that are available for sale may request the Department to do so in exchange for the
14 payment of an annual fee of one hundred dollars. The Department is under no obligation to include the listing

5 Vegas, Nevada, 1983 Edition, is hereby amended to read as follows:

6 **6.39.010:** (A) The primary operations of a nightclub often include the sales of alcoholic beverages
7 for immediate on-premises consumption and the provision of live entertainment at a fixed establishment
8 during the late night and early morning hours, and such operations can negatively impact surrounding
9 businesses and residential areas during the late evening and early morning hours due to noise and congestion
10 from the additional vehicular and pedestrian traffic coming to and from such establishments. Therefore, the
11 City Council declares that[, except as otherwise provided in Subsection (C) of this Section,] all businesses
12 considered to be a nightclub pursuant to this Chapter must be specifically licensed for such operation[,
13 whether newly proposed or an existing business operation as further delineated herein.]

16 nightclub for purposes of this Subsection (B), then such establishment shall comply with the provisions of
17 LVMC 6.50.520 prior to providing live entertainment at such an establishment.

24 for any person to commence, carry on or engage in or operate any nightclub as defined by
25 LVMC 6.39.030 without first obtaining and thereafter maintaining a valid, unexpired nightclub license as
26 provided herein. Due to the negative secondary impacts a nightclub can create, such a license is required

whether it is a new business operation or an existing operation that is considered a nightclub.

(B) A nightclub license pursuant to this Chapter shall not issue for an establishment that will sell or serve alcoholic beverages unless the applicant [possesses] holds a beer and wine [room alcoholic beverage license, tavern alcoholic beverage license, tavern-limited alcoholic beverage license, general on-sale alcoholic beverage license, or urban lounge alcoholic beverage] on-premise license or a full alcohol on-premise license for the establishment at which the nightclub license is proposed for issuance, and, except as provided at Subsection (C)(2), below, such license shall not be issued if the establishment is located on property not properly entitled for a nightclub use pursuant to LVMC Title 19.

14 SECTION 80: For purposes of Section 2.100(3) of the City Charter, Sections 19.09.050,
15 19.10.020, 19.10.120, 19.12.010, 19.12.070 and 19.18.020 are deemed to be subchapters rather than sections.

16 SECTION 81: The Department of Planning is authorized and directed to incorporate into
17 the Unified Development Code the amendments set forth in Sections 60 to 79, inclusive, of this Ordinance.

18 SECTION 82: (A) This Ordinance repeals a number of business license categories and
19 land uses with the expectation that over time, and except as otherwise specified:

20 (1) There will be a transition by which existing business licenses and land use
21 approvals will continue to be recognized.

22 (2) In connection with that transition, those business licenses will be gradually
23 converted or replaced over time with new licenses or replacement licenses, or in connection with expirations
24 and renewals.

25 (3) In connection with that transition, existing land use entitlements and
26 approvals under the names of particular land use terminology or classifications that are being repealed will

1 generally continue to be recognized as if the land use terminology or classifications previously existing
2 continued in existence as to those entitlements and approvals. However, the Department of Planning is
3 authorized to transition towards relabeling land use categories for existing uses with replacement or
4 equivalent categories as deemed necessary or appropriate. In addition, the Director of Planning may
5 determine in particular cases that existing uses whose classification has been deleted are to be subject to
6 nonconforming use provisions of Title 19.

7 (B) The Department of Planning, through its business licensing and land use functions,
8 is authorized and directed to do the following in implementing this Ordinance in a manner consistent with its
9 intent:

10 (1) Keep such records and make such determinations as are necessary and
11 appropriate for implementation in a manner that recognizes existing license and land use rights.

12 (2) Continue to recognize rights and obligations—relative to license and land
13 use categories that are repealed by this Ordinance—for the periods necessary to implement the transition
14 from previous to present categories.

15 (3) Apply to new or replacement licenses or land use categories appropriate
16 conditions or endorsements that are designed to continue authorization of existing rights and privileges.

17 (4) Apply by custom or analogy any principles or practices that, by reason of
18 the adoption of this Ordinance and the replacement of categories, may not strictly apply under this Ordinance
19 or other provisions of the Las Vegas Municipal Code.

20 (5) In cases where this Ordinance requires existing uses or operations to obtain
21 a special use permit or meet some other procedural requirement, formally establish a time period within
22 which compliance must occur and provide general or particularized notice of the requirement and time period
23 to each use or operation so affected.

24 (C) Regarding the transition period as it relates to land use administration, it is noted
25 that the City Council over time has adopted a number of area-specific planning and regulatory documents
26 that apply to specifically-identified developments or areas within the City. For purposes of this Section, such

1 areas are referred to as "special plan areas" and the related documents as "special area plans." Many of those
2 documents include references to land use types or categories that are being deleted by this Ordinance, with
3 the intent to have those types or categories covered by new or existing land use types or categories. For the
4 purposes of interpreting special area plan documents and their application during a transitional period before
5 those documents might be updated, a document has been prepared to assist the City and others in determining
6 which new or existing uses and corresponding rules and requirements should apply to uses whose labels have
7 been deleted by this Ordinance. That document is attached to and adopted as part of this Ordinance as Exhibit
8 D. The Director of Planning is authorized to apply and interpret the provisions of Exhibit D as deemed
9 necessary or appropriate. That authority includes authority and discretion to determine equivalent use
10 categories, standards and procedures regarding locations within any special plan area whose special area plan
11 is not listed in Exhibit D.

12 (D) Notwithstanding the provisions of this Section, operational requirements or
13 prohibitions under LVMC Title 6 that are made applicable by the provisions of this Ordinance to new or
14 replacement license categories shall be deemed to apply to licenses under the new or replacement categories
15 unless waived by the Director.

16 SECTION 83: If any section, subsection, subdivision, paragraph, sentence, clause or phrase
17 in this ordinance or any part thereof is for any reason held to be unconstitutional or invalid or ineffective by
18 any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the
19 remaining portions of this ordinance or any part thereof. The City Council of the City of Las Vegas hereby
20 declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase
21 thereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs,
22 sentences, clauses or phrases be declared unconstitutional, invalid or ineffective.

23 SECTION 84: Whenever in this ordinance any act is prohibited or is made or declared to
24 be unlawful or an offense or a misdemeanor, or whenever in this ordinance the doing of any act is required
25 or the failure to do any act is made or declared to be unlawful or an offense or a misdemeanor, the doing of
26 such prohibited act or the failure to do any such required act shall constitute a misdemeanor and upon

conviction thereof, shall be punished by a fine of not more than \$1,000.00 or by imprisonment for a term of not more than six months, or by any combination of such fine and imprisonment. Any day of any violation of this ordinance shall constitute a separate offense.

SECTION 85: All ordinances or parts of ordinances or sections, subsections, phrases, sentences, clauses or paragraphs contained in the Municipal Code of the City of Las Vegas, Nevada, 1983 Edition, in conflict herewith are hereby repealed.
