CITY MANAGER SELBY reported the following: July is Flash Flood Awareness Month, and he asked everyone to exercise extreme caution when there are floods in the Valley.

MAYOR GOODMAN and COUNCILMAN WEEKLY will have Coffee With The Mayor on July 14, 2006, from 7:30 to 9:00 a.m. at Starbucks, located at 751 North Rancho Drive. Following the meeting at Starbucks, the Mayor will be available to speak with constituents from 10 a.m. to 10:30 a.m. during his Open Door Meeting in Council Chambers.

Ward One will have a neighborhood clean up July 15, 2006, within the boundaries of Pebble Beach on the north, Canon Way on the South, Decatur Boulevard on the east and Michael Way on the west.

On July 17, 2006, the City of Las Vegas and the Department of Transportation Services will unveil the new sound wall on US-95 between Sahara Avenue and Las Vegas Boulevard, which

will greatly improve neighborhood conditions.

MAYOR GOODMAN invited people to join him for coffee at Starbucks to voice their concerns and criticisms.

COUNCILMEMBERS REESE, TARKANIAN and WEEKLY thanked THELMA CLARK, who came forward, for being the force behind the installation of the sound wall. She fought very hard before the Legislature. COUNCILWOMAN TARKANIAN added that she is very tough and the person to go to when things need to get done. COUNCILMAN WEEKLY noted that a major car accident occurred in the area where a fire flew off a car and crashed into the rooftop of a home. The sound wall is long overdue and will provide protection to the adjacent residents. MS. CLARK gave credit to COUNCILMAN REESE for all his assistance. The residents in her neighborhood are very appreciative.
