The applicant is requesting approval of a temporary license as provided by LVMC 6.06.051, which reads as follows:

- (A) City Council may grant a temporary license pending its decision regarding a license application in order to determine:
 - (1) The applicants fitness for a license; and
 - (2) The appropriateness of the applicants business location.
- (B) A temporary license shall not be granted under this Section unless:
 - (1) All principals required to be approved for suitability have submitted a complete investigation packet for determination of suitability and paid all applicable fees;
 - (2) The Director makes a preliminary finding that all of the principals of the business are suitable; and
 - (3) The applicant has submitted a completed and accurate license application and has paid all required application fees.

The attached letter dated July 10, 2006 from the applicant outlines the request for a temporary license.

The applicant submitted all of the required documentation and paid all applicable fees for investigation on July 19, 2006. Based on a long history of holding City & County licenses, we have determined he is preliminarily suitable to hold a temporary Alcoholic Beverage license until the investigation is complete.

In the event the Special Investigations Section, Las Vegas Metropolitan Police Department, should develop an area of concern with this applicant, this item will be brought back before the Council for appropriate action.
