**ANALYSIS**

***A) Planning discussion***

The subject request is to vacate a 20 foot wide public drainage easement generally located approximately 320 feet east of the intersection of Alta Drive and South Rampart Boulevard and a 50 foot wide public drainage easement generally located approximately 1,360 feet east of Rampart Boulevard at the northern boundary of the property. ***B) Public Works discussion***

This Vacation application proposes to vacate two public drainage easements. As no rightofway is proposed to be vacated, and thus no franchise rights are involved, it is not necessary to send this VAC request to the utility companies and franchise holders, nor wait for their responses. Since only City easements are involved; any utility company interests will not be affected.
