While a PowerPoint presentation was showing on the monitors, COUNCILMAN WEEKLY recognized the U.S. Vets, a group of veterans who participated in neighborhood cleanups, for their outstanding service to the community.

STEPHANIE BUCKLEY, U.S. Vets Coordinator, accepted a Certificate of Appreciation. She thanked the veterans in the program and the City for giving them the opportunity to help and for giving them such great support.

LOUIS LACEY, Case Manager for U.S. Vets, accepted Certificates of Recognition, one for the U.S. Vets and one for him. He said that there is a lot of work to do in the neighborhoods, and the veterans are proud to give back. He noted that people need to be mindful that over 200,000 veterans would be on the streets that night. People need to think of ways for these veterans to get back into society and to get the help they deserve. He asked the veterans in the audience to stand and be recognized.
