Re : Jirawan Staehr LLC

DBA Thai Red Pepper

I am seeking a temporary beer and wine license for my location at 2226 Paradise Road, Las Vegas, NV 89104 for the following reasons.

The prior owner had a beer and wine license and many of their old customers come in expecting this feature and I would like to keep their business. I have turned in an application for a permanent license as well.

I am just starting my business with some advertising and would like these first time customers to see that I have this feature to gain repeat business if this is an item they enjoy while dining.

There is another restaurant in the mall India Oven that has beer and wine and I would want to be competitive with them and a tavern location in the same shopping mall.

Thank you for your consideration in this matter and helping me establish my new restaurant.

Sincerely:

Jirawan Staehr
