2. The hours of operation shall not extend beyond the hours of 9:00 a.m. to 7:00 p.m.
3. This Special Use Permit shall expire two years from the date of final approval, unless it is exercised or an Extension of Time is granted by the City Council.

FINDINGS

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

The Secondhand Sales use will be compatible with other uses planned and approved for Montecito Marketplace and with other commercial development to the north.

2. The subject site is physically suitable for the type and intensity of land use proposed.

The subject site is level and contains no physical impediments to development. It is physically suitable for the type and intensity of land use as proposed by this Secondhand Sales use.

3. Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.

Durango Drive, on the eastern boundary of this five-acre portion of the overall Montecito Marketplace site, will be developed as a Town Center Parkway Arterial (120 feet). Dorrell Lane, to the south of the site, is shown as an 80-foot Town Center Collector. These streets will have adequate capacity to serve the proposed development.

4. Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.

The proposed Secondhand Sales use, if approved, will be subject to regular City and County inspections for licensing and will therefore not compromise the public health, safety, and welfare.
