RE:SUP-14281 Hearing

to whom it may concern:

I am a homeowner at Pacific Legends West located at 1830 N. Buffalo, and I wish to express my extreme objection to the above referenced application for a special use permit for a proposed supper club to be built at 1780 N. Buffalo. The after hour noise that these places create is a terrible disturbance for the surrounding residential homeowners and this place would be located directly across the street from our condominium development. In addition, there have been numerous applications approved in the last few years for liquor sale establishments, bars, and restaurants in the surrounding area and there are more than enough to service the neighborhood. This once was a peaceful neighborhood and now the late night traffic and noise from all the after hour establishments keeps residents up well beyond the normal bedtime hours.

I urge you to reject this and future applications for liquor licenses in this area.

Sincerely,

Stephen Prestegard
