Re: Justification Letter

Dear Mr. Swanton:

As you know, our firm represents Restaurant Row, LLC, a Nevada limited liability company ("RRow"). We are delivering this letter on behalf of RRow to serve as the justification letter required for the special use permit application (the "Application") for a general business-related gaming establishment in connection with Joe's Crab Shack located at 1991 N. Rainbow Boulevard, (the "Location").

The City of Las Vegas Municipal Code Section 6.40 allows a supper club to operate up to five (5) counter top slot machines in the bar area with a general business-related gaming establishment special use permit. Joe's Crab Shack is currently operating as a supper club. The purpose of the Application is to obtain approval of the City of Las Vegas permitting restricted gaming at the Location in accordance with the City of Las Vegas Municipal Code. All items listed on the Submittal Checklist have been delivered to you in support of the Application.

If I may be of further assistance, please contact me.

Sincerely,

  
Jenica Yurcic
