Re: Justification letter for Conditional Use Permit for a Massage Envy franchise to be located at 7100 North Durango, in the Montecito Marketplace, NE of Durango and Elkhorn, Las Vegas, NV.

To Whom It May Concern:

Massage Envy is a new and exciting franchise opportunity delivering wholesome therapeutic massage on a professional, convenient and affordable basis to "main stream" America. Started in Scottsdale, Arizona in late 2001, Massage Envy is a membership based massage franchise wherein our clients can become "members" for monthly dues of \$59/mo (which includes their first one hour therapeutic massage session), and then as members the ability to receive additional massages each month for the super low price of just \$39 per one hour session.

The Scottsdale based Franchisor, Massage Envy Ltd., has to date sold "regional development franchise" rights in 33 of 50 major markets across the country - with each region able to support some 20 to 40 clinics. We currently have 17 clinics open in the Phoenix area, 2 clinic open in Henderson, and several more in various stages of development. Additionally, over 150 Massage Envy clinics are now open in Seattle, Portland, Denver, Houston, Sacramento, Atlanta, Tampa, Los Angeles - and many other cities across America!

Professional - Each Massage Envy clinic hires only fully licensed, insured and certified massage therapists who are employees with access to health insurance and who are covered by worker's compensation insurance. Each clinic is 2,800 - 3,600 sq. ft. in size, containing 11-15 therapeutic massage treatment rooms, a lobby with front desk, 1 or 2 business offices, 2 restrooms, a "quiet room", a storage room for linens and lotions, and a break room for the therapists. All interior tenant improvements are completed in accordance with strict franchise design standards consisting of high quality, elegant and tasteful materials and décor giving the clinics a consistently professional image.

Convenient - For the convenience of client's, Massage Envy clinics are located in high quality regional and neighborhood retail shopping centers, and are open 7 days a week for 88 hours as follows; 8:00 am - 10:00 pm Monday - Friday; 8:00 am - 6:00 pm Saturday; and 10:00 am - 6:00 pm Sunday. Each monthly dues payment pre-pays for a monthly 1-hour massage session (which includes 50 minutes of hands-on body work and allows 10 minutes for dressing, checking in, and consultation with the therapist.) Prepaid massages which are not redeemed during the month roll over to subsequent months. Clients may sign up for membership at any Massage Envy location, and enjoy membership privileges at any of the Massage Envy clinics across the country. With numerous hours of operation, numerous rooms and therapists at each location, and numerous clinics in each market - each located in highly accessible retail strip centers - Massage Envy has made it extremely convenient to get a wholesome therapeutic massage - when the client needs one!

Affordable - Massage Envy has based its business around a membership model, much like the health and fitness clubs. By having the commitment from our members of guaranteed massages on a monthly basis, we are able to offer extremely affordable prices - often less than half the cost of other massage establishments. Membership programs range from 3 to 12 months in duration and dues are just \$59.00/month. One full body hour long massage session is included with the monthly membership dues and additional massages are just \$39.00 each!

Wholesome - Perhaps more than anything else, Massage Envy prides itself in establishing and maintaining the highest standards of cleanliness, decency, morality and wholesomeness in our clinics. Each location is maintained to the highest standards of cleanliness and sanitation is a continual area of focus. We have a strictly zero tolerance policy relative to any inappropriate, immoral, illegal or unwholesome behavior from either our
