Dear Las Vegas City Council Members and the Honorable Mayor Goodman,

I am sole owner of the Vitaly Scherbo School of Gymnastics and have a very small staff of coaches. I am also head coach of 10 optional level male gymnasts, one of whom is trying to pursue a college scholarship this year. It is necessary for me to be on site during the new session of classes now being held. It has been difficult to rearrange schedules for my attendance at the said meeting. I am requesting an abeyance of items 171.VAR-14768 and 172.SDR-13796 as shown on the City Council Agenda set to be heard September 6, 2006 at 1:00 p.m.

Thank you.

Sincerely,

Vitaly Scherbo
