PROJECT NO: 04-205

Dear Staff,

We respectfully request favorable consideration for an extension of time on the above referenced project. There have been changes in the area and we are re-evaluating the other uses and building on the site. The proposed restaurant/tavern is still moving forward and we have begun design development drawings.

Should you have any questions or require additional information please contact our office.

Sincerely,

Richard c. Gallegos
Principal
