Dear Jim Difore,

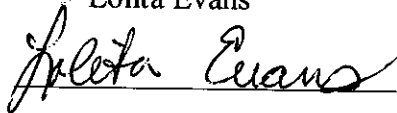

This letter is on behalf of Lolita Evans and Nancy Evans; we are requesting a temporary license because of financial obligations to keep office that we are applying for license for. It is financially a burden right now and we don't have the finances to wait 4 months for the background check. We have been to all three of the police departments in Las Vegas to receive the scope checks and we have gotten scopes checks from Connecticut as well. This would be greatly appreciated.

Sincerely,

Nancy Evans
