As a long term resident of Las Vegas I am committed to seeing our community grow and prosper. I understand the changes Las Vegas has seen and those we are expected to experience. A member of the Parks and Recreation Advisory Board should be knowledgeable of the city's growth and see the need for thoughtful park planning and development. I understand both of those. As a parent I also see the need to ensure that our parks are safe for citizens to visit. I have spent a lot of my personal time working with children and young adults through various organizations and churches and I recognize the need for after school activities for the youth of our valley. As a member of the Las Vegas Parks and Recreation Advisory Board I would remain committed to healthy growth and safe recreation areas across Las Vegas.
