To who It concerns:

The construction Im doing
In the back yard Its like a
small Guest House so when my
family like my mom, mother In law
or my brothers and sisters come to
visit me have a small little place to
rest do that my house Its really small
and I only have one bathroom, I Decided
to buit in the back yard do that the
Garage was there already and the porch
not knowing that It dient have a permit
went I both my house they never
told me nothing, ~~I~~ found out thanks
to you guys went I told and took the
prints.. you guys told me that the garage
and porch were not register If you guys
make me throw everything away Im
going to loose alot of money thousands
of Dollars Im a single mom the
neighbor are ok with the construction
It does not bother them In nothing
and I also have a big wall of brick that
you guys gave me permission (but If you guys
need Signatures ~~I~~ could get them
Please I need Help
I'm not a rich person? Sincerely *Micaela*
