SUBJECT: RECOGNITION OF THE CENTRAL LAS VEGAS 15 TO 16 YEAR OLD LITTLE LEAGUE STATE CHAMPIONS

Minutes:

COUNCILMAN REESE recognized the Central Las Vegas 15 to 16 year old state baseball champions and invited coaches STEVE and VAL to come forward. He indicated that the District 2 State Champions played against Oregon, Arizona, Utah, Hawaii and North Carolina.

The President of Central Little League pointed out he has been with this organization for 21 years, which includes areas of down town through the northwest. This team is very special in that they all sacrifice, work hard, and most importantly, have the support of their parents, who never complained. Due to that kind of dedication and commitment, the team came close to going to the World Series.

COUNCILMAN REESE recognized all the players and presented them a trophy. He also asked all the parents to stand up and be recognized. One of the coaches indicated the players worked hard and were still able to keep up their grades. He believes that, as they go into high school, they will be very successful.
