Dear Planning + Development Dept.

Mr. + Mrs. James Bracy Jr. where we serve at 330 N. 9th St. as
Pastor + wife of Mt. Liberty Miss. Bapt. Church, would like to request
allotted time for completion of work in progress for construction of
parking lot. The consummation of the project is slow but steady due
to low income of parishoners, and our goal is to continue on until
we meet all requirements issued by Planning + Development Dept.
The members of Mt. Liberty Miss. Bapt. would highly appreciate the
Councils approval, God Bless You + we love you.

Mr. + Mrs. James Bracy Jr.
