To Whom It May Concern,

My name is Tori Jackson and I live in the Charleston Heights area of district 1. I have lived in this neighborhood for the past 15 years and have lived in this home for over 10 years. I have never before written a letter over a permit issue, but I feel very strongly about this situation and have chosen to address my comments to you.

It has come to my attention that a business that I frequent is attempting to receive operating permits that would allow them to continue doing business at that location. This business is called Family Auto Care and is located at 5100 West Charleston Blvd. My husband and I have known Fred Nazaryan for almost two years, during which he has helped us on numerous occasions with repairs to our car. He has been courteous, helpful, and accommodating to our schedule and needs. We recommend him to our friends as a dependable and honest person to do business with. We believe that his garage is a great asset to our community and we would be very upset if he were forced to quit doing business at that location. We feel that it would definitely be in the best interest of our community if the permits he is requesting were granted.

Thank you for your time and consideration in this matter. If you would like to meet with me or any of my friends that also do business with Fred, I would be happy to arrange it. I hope that this matter will be settled quickly and to our satisfaction.

Sincerely,

Tori Jackson

To Whom it May Concern,

Our names are Danielle and Scott Thorne, we reside at 6216 Elton Ave. in the Charleston Heights Area of Ward 1. We are both natives to Las Vegas and have lived at this address for the past 10 years. Our home is situated close to the intersection of Jones Blvd. And US 95. We live around the corner from the Mirabelli Community Center and The Leiburn Senior Center. Our children attend the following schools, O.K. Adcock Elementary, Johnson Jr. High, and Bonanza High School. In the 10 years since living at this address, we have chosen to frequent various businesses in close proximity to our home, some of which include, The Meadows Mall, the Target store located at Meadows and Decatur, our Dentist and Orthodontist at Meadows and Decatur, Walmart at Charleston and Torrey Pines, Blockbuster Video at Charleston and Torrey Pines, New Outlook Optical at Rainbow and Sarhara, Walmart Super-Center at Charleston and Decatur and numerous other shops located in and around the above mentioned stores. The reason for listing these various business establishments is to show that we have chosen to patronize these particular businesses in relation to our address. We feel that by doing so, this not only is a convenience to us, but it supports the business owners, whether large or small in our own neighborhood.

It has been brought to our attention that a business in our area, Family Auto Care, located at 5001 W. Charleston (at Decatur) is interested in obtaining various permits to allow them to continue to operate at this location. Approximately 2 years ago, we were referred to Family Auto Care as we were in need of auto repairs to one of our vehicles. Upon our arrival, we were greeted by a man named Fred Nazaryan. We found him to be courteous, helpful and a man of honesty and

integrity. Over the past 2 years we have continued to frequent this business for those reasons and many more. Fred has always gone over and above what a title of a mechanic would mean. We feel so relieved to have a man of this character, operating an auto garage in our neighborhood. Fred and his business is a definite asset to our neighborhood community. We have referred many of our friends and family to Fred for their various auto repair needs and they have encountered the same treatment. This would be a great loss to us and the neighborhood community if Fred were forced to quit operating his business at this location. We are asking that all permits that Fred is requesting be granted. By doing so, this would enable Fred to continue his business and allow us to continue to have a good, honest friend and business man in our neighborhood.

Thank you for your time concerning this matter, we have confidence that the right decision will be made in granting these permits for Fred Nazaryan.

Sincerely,

Danielle Thorne & Scott Thorne

To Whom it May Concern:

I write this letter with a heavy heart and much concern. I have been a resident of this wonderful city for over 34 years. I have been driving & owned a car in Las Vegas for the last 32 years. Regretfully I say, I had yet to find an honest mechanic in this town. Two years ago I was introduced to Fred Nazaryan, who owns Family Auto Care. Fred is very honest and very professional. He is caring and very fare with his prices. I always leave happy and never feel "ripped off." He goes the extra mile to make his customer happy.

I honestly am very upset to hear that someone is looking to put him out of business. As a citizen and tax payer in this city I would ask that you consider how this would affect many people in our area. I have referred many friends and family to him and all of which have been very happy with his work. I stress to think who I would now take my cars to, to be repaired. I am a single mother in this town and feel very confident with Fred to give him my business. I ask that you please allow him to continue his shop where he is at.

Please feel free to contact me with any questions. I am pleased to help any way I can.

5 October 2006

Dear CLV PLANNING COMMISSIONERS:

Following are 2 letters and 2 pages of signatures requesting

APPROVAL of applicant Fred Nazaryan for GPA-16201 for a new

GENERAL COMMERCIAL so that he can repair car motor.

What an asset to the neighborhood to have a true mechanic who is
outstanding, honest and efficient !

This new auto repair will be an improvement to the area rather than the
old tire shop which has been there for 20 + years we understand.

We have heard Roger Anderson share his concerns and we welcome his
improvements and additions to the neighborhood, also.
His "APARTMENT" plans for the land South of the former Red Rock
Theatre complex, will be bringing more vehicles which are better repaired in
the immediate area.

No one from our group will be speaking or reading in person this evening.

Please consider the 2 letters, petitions and this statement as you vote and
make recommendations this night of 5 October 2006.

FOR GPA-16201 is all the information above.

Thank you.

Juanita Clark, assistant to President Ingram

To whomever has the authority to allow the business of FAMILY AUTO CARE operated by Fred Nazaryan to do engine repair at 5100 W. Charleston Blvd.:

We have lived in Las Vegas for more than 10 years and have followed Fred from his former location to the one on West Charleston. He is a very good mechanic and an asset to any neighborhood.

We need an auto engine repair in this area so that access to take a vehicle and to go for it after repair is handy.

A mechanic who is capable and honest with customers is hard to find out here is one. We highly recommend him to anyone with engine trouble.

Respectfully we ask that you approve Fred Nazaryan to operate his business at 5100 West Charleston Blvd.
