To whom it may concern,

I would like to take this opportunity to express how important Lisa Wallace is to our establishment. Lisa has been with us since August and is already second highest in seniority. We seem to be experiencing a high turn/over rate, something we are not accustomed to!! She has never been late, has never called in sick, she is an extremely hard worker and has helped us out of a jam more times than I can count. She truly is one of our best employees and we would certainly hate to lose her for any reason.

Lisa fully disclosed her legal situation during her interview. We hired her regardless because of her experience and great personality. We have never regretted our decision, in fact, we are extremely thankful we did so!!

Please feel free to call me with any questions. Thank- you for your time and consideration.

Sincerely,

A handwritten signature in cursive script that reads "Laura Barry".
