RE: APN: 140-31-812-020
Subject: A. General Plan Amendment
B. Zoning Change
C. Site Development Review

Dear Sirs:

The intended use for the property at the northwest corner of Charleston and Prince is Office Space.

This property currently has a General Plan designation of "L" and a zoning designation of "R-1". We are requesting a general plan amendment to "O" and a zone change to "P-R" for this parcel. This project consists of an existing home that will be converted to an office, which is typical for properties along Charleston. We feel this general plan amendment and zone change would be of similar use to that which is currently in the area.

We intend to upgrade the existing structure by removing the carport and adding parking on the west side of the property. The structure is approximately 1,186 sf and is one story in height. Four parking spaces will be provided, one of which will be a van accessible space. We will also add landscaping along Charleston as required by Title 19. We are requesting a landscape waiver along the north, east and west property lines due to the site configuration and the location of the existing structure. This project will provide a place of business and opportunity for people to work closer to their own homes which would reduce the need for time consuming commutes.

Please consider this General Plan Amendment, rezoning and site development review request as a positive impact on the City of Las Vegas and the surrounding neighborhood.

Respectfully Submitted,
