**PURPOSE/BACKGROUND:**

NRS 293C.3561 states that the City Clerk is to establish criteria for the selection of permanent and temporary (neighborhood) polling places for Early Voting by personal appearance. Additionally, the City Clerk is to inform the City Council, at a regular meeting, of the sites that have been selected. Using the established criteria, as well as historical data on Early Voting in the City of Las Vegas, 16 temporary (neighborhood) sites have been selected with locations within each of the 6 Wards; and the two permanent polling locations at City Hall and the Meadows Mall.

**RECOMMENDATION:**

Report Only, No Action Required

**BACKUP DOCUMENTATION:**

1. Criteria for Selecting Early Voting Polling Places for the City of Las Vegas

CITY CLERK RONEMUS deferred to CHIEF DEPUTY CITY CLERK BRIDGES for a report on the selected early voting sites, which were depicted on a Ward Map shown on the overhead, in accordance with the list of sites. She noted that an additional site resulted in Ward 3 at the Albertsons located at Bruce and Charleston, and then described the criteria for selecting early voting sites, as indicated in the backup documentation.
