PURPOSE/BACKGROUND:

During its last session, the Nevada Legislature adopted provisions to encourage the development and use of wind energy systems. This bill is intended to follow up that legislation by setting forth the circumstances under which small wind energy systems will be allowed in certain residential areas. The bill will allow the use as a conditional use in the R-A, R-E and R-D Zoning Districts.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
