B) *General Analysis and Discussion*

•Zoning

The property is zoned C-1 (Limited Commercial). The C-1 (Limited Commercial) District is intended to provide most retail shopping and personal services, and may be appropriate for mixed-use developments. This district should be located on the periphery of residential neighborhoods and should be confined to the intersections of primary and secondary thoroughfares along major retail corridors. The proposed use as a Secondhand Dealer is permissible in the C-1 (Limited Commercial) District with approval of a Special Use Permit. This application is intended to satisfy that requirement.

•Use

Secondhand Dealer means a specialty shop which deals solely in one kind of used commodity with no new commodities, or a business in which the sale of secondhand or used articles is incidental to the sale of new articles of the same kind. For purposes of this definition, the sale of secondhand or used articles is deemed to be incidental to the sale of new articles. Used articles may include wearing apparel, furniture, fixtures, appliances, tableware, offices supplies, pictures, paintings, jewelry, cutlery or guns.

The proposal is to sell used slot machines for personal use. The store will also sell parts, provide service for broken machines, and sell new materials related to slot machines, such as tokens. There are also two other locations in Clark County, this application represents a new third location. It is noted that the sale of secondhand goods shall be limited to used slot machines and related parts. No gaming shall be permitted on this site.

•Conditions

SECONDHAND DEALER [C-1, C-2]

(*1) No outdoor display, sales or storage of any merchandise shall be permitted.

(*2) The use shall comply with the applicable requirements of Title 6 of the Las Vegas Municipal Code.

(*3) No secondhand dealer shall be located on either side of Fremont Street or on Las Vegas Boulevard South, between Charleston Boulevard and Sahara Avenue.
