**AUDIT OVERSIGHT COMMITTEE MEETING OF: JULY 19, 2007**

**DEPARTMENT: CITY AUDITOR**  
**DIRECTOR: RADFORD SNELTING**

**SUBJECT:**  
**CITIZENS PARTICIPATION:** Public comment during this portion of the agenda must be limited to matters within the jurisdiction of the Committee. No subject may be acted upon by the Committee unless that subject is on the agenda and is scheduled for action. If you wish to be heard, come to the podium and give your name for the record. The amount of discussion on any single subject, as well as the amount of time any single speaker is allowed, may be limited.

**Minutes:**

Tom McGowan, Las Vegas resident, requested a copy of the report associated with Item 11. He questioned how many members of the Committee were residents of the City and how often the Committee reports to the City Council. If the Committee is not required to report, as a quorum, to the Council, Mr. McGowan felt the public should be made aware of that fact.

Mr. McGowan did not understand how the public was involved in the recommendation process regarding the KCLV Channel 2 audit but he agreed that Mr. Rigglesman is doing a great job running the station. Mr. McGowan felt the Committee should involve the public more and allow public comment on the agenda items. By doing so, the Committee would be encouraging the public to participate in the meetings.
