SCOTT ADAMS, Director of the Office of Business Development, updated the Agency members on the status of various Redevelopment Agency ongoing projects using a PowerPoint presentation, a copy of which is made a part of the minutes.

MEMBER REESE asked if the Malone Brown parking garage would be open to the public, because he has heard that it has been sold out to the businesses in the area, to which MR. ADAMS answered that he would follow up and ascertain the intentions of the owner.

TOM McGOWAN, Las Vegas resident, asked if Epic Shoes is located on north or south Main Street, commended the staff of the Office of Business Development for all their work, and then questioned the socio-economic status of the people that are to occupy the oncoming downtown residential buildings.
