ANALYSIS

This is the first Extension of Time for the subject Special Use Permit (SUP-5723) which was approved by the City Council on 02/16/05. A Special Use Permit is exercised upon approval of a business license to conduct the activity, if one is required, or, otherwise, upon the issuance of a certificate of occupancy or approval of the final inspection. Civil improvement plans were finalized on 11/07/06 and building permits were issued on 12/06/06. The Extension of Time can be supported to allow the applicant sufficient time to construct the tavern.

FINDINGS

Staff supports the subject Extension of Time for the approved Special Use Permit. The applicant has demonstrated that they are working towards the construction of the tavern. A condition of approval has been added, which recommends the extension be allowed for two years until such time as another Extension of Time application is approved.
