

CAROLLO • FALCONI

SUPER CAR STORE

November 17, 2006

This is a request to operate a used auto sales facility at 2025 S. Decatur for no more than a two year period starting January, 2007. We also request that you accept the existing landscape at this location. Carollo's Tropicana Motors, INC. dba Carollo Falconi Super Car Store has operated successfully in the Las Vegas area for over eighteen years. We have lost our lease at the current location of 4845 W. Tropicana. This reason has prompted the request to relocate to 2025 S. Decatur.

Sincerely,

Peter R. Carollo
President
