COUNCILWOMAN TANKAMIAN honored the Las Vegas Firefighters Benefit Association for its Annual Adopt-A-Bike event which was started six years ago. Firefighters recycle old bikes and donate them to children in need. This past Holiday Season the Association gave away over 300 bikes, along with other toys and food for families. She called forward and gave recognition to MITCH STEINBERG, Las Vegas Firefighters Benefit Association representative, JOHN KELLEY, President of the Las Vegas Firefighters Benefit Association, and GREG GAMMON, Deputy Chief with Las Vegas Fire and Rescue.

MR. KELLEY stated it is a pleasure to be able to give back to the community. This year, with the help of the business community, the Association was able to provide more bikes, as well as books, toys and full meals.
