Minutes:

MAYOR GOODMAN declared the Public hearing open for Item 127 [SUP-17737] and Item 128
[SDR-17735].

TOM McGOWAN expressed concern about a unanimous Planning Commission
recommendation for approval while the staff recommended denial. The conflict gives the
appearance of being arbitrary. MARGO WHEELER, Director of Planning and Development
Department, clarified that the waiver request could be accommodated with a redesign and

project reduction. Based on the clarification, MR. McGOWAN recommended approval of the applications.

DAVID CLAPSADDLE, GC Garcia, 1711 Whitney Mesa Drive, Henderson, appeared on behalf of the applicant with MARK MICHAELSON, Naybell Architecture, 7180 Dean Martin Drive.

MR. CLAPSADDLE indicated his understanding of the importance of this site and the need to continue development that raises the bar for the Lowri Center area. He showed site and landscaping plans depicting landscaping along Centennial Parkway. They improved the design, working with staff to provide the drive through with enough room for left or right turns and made Juliano a cul-de-sac for additional access. MR. CLAPSADDLE agreed with all conditions.

COUNCILMAN ROSS commented on the difficulty of the property given the elevation changes, and commended the applicant on their efforts and the architecture of the project.

BART ANDERSON, Public Works, read into the record an added condition for the Site Development Plan Review, with which MR. CLAPSADDLE concurred.

MAYOR GOODMAN declared the Public hearing closed to Item 127 [SU-17737] and Item 128 [SDR-17735].
