## ANALYSIS

### **A) Planning discussion**

Planning staff supports this request as the portion of Riley Street to be vacated terminates at the Clark County 215 right-of-way. As long as access is accommodated via other rights-of-way or reversionary mapping, Riley Street is not necessary.

### **B) Public Works discussion**

The following information is presented concerning this request to vacate certain public street right of ways:

- A. Does this vacation request result in uniform or non-uniform right-of-way widths? *N/A as it is to eliminate Riley Street between Centennial Parkway and the I-215 Beltway.*
- B. From a traffic handling viewpoint will this vacation request result in a reduced traffic handling capability? *No, as it is an unused street.*
- C. Does it appear that the vacation request involves only excess right-of-way? *It is to eliminate an unused street for possible inclusion into an adjacent project.*
- D. Does this vacation request coincide with development plans of the adjacent parcels? *There is currently nothing proposed on either of the adjacent parcels.*
- E. Does this vacation request eliminate public street access to any abutting parcel? *No.*
- F. Does this vacation request result in a conflict with any existing City requirements? *No.*
- G. Does the Department of Public Works have an objection to this vacation request? *No.*
