Protest

To Whom It May Concern:

I, Seyed Emamzadeh, and the persons below are objecting to the special permit requested by Phillip E. Hempler and Joseph P. Lepire (SUP-18266) for a pawn shop to be located at 6032 West Cheyenne. We feel if this permit is passed it will have a negative impact on the surrounding businesses.

I have owned and operated my restaurant for over a decade and would like to continue to keep the family atmosphere that it has been our reputation over these years. I hope you will take in consideration our concern before making any final decisions on this matter.

Sincerely,

Seyed Emamzadeh
