Minutes:

MAYOR GOODMAN declared the Public Hearing open for Items 97 and 98.

MARGO WHEELER, Director of Planning and Development Department, explained the request is based on two factors. Currently the zoning is not in compliance with the General Plan as adopted by the City Council. The rezoning is a condition of approval on the previous approval of the project, which stipulated that prior to issuance of the building permit for the approved project, the applicant needed to bring their zoning into compliance.
