Re: VAR-18625
SDR-19214

→ PROTEST

Dear Mr. Reed:

We strenuously oppose both of the above referenced applications.

We have been encouraged by the redevelopment of the neighborhood and landscaping has provided the enhanced curb appeal versus the historically industrial neighborhood. We have spent considerable money on landscaping and would expect the city to reinforce this landscape buffer and required parking minimum.

Thank you for your consideration.

Sincerely,

Chris P. Hager
Vice President

CPH:mmd
