OBJECTION TO SUP-19100/VARIANCE-19477 & 19098 & SDR-19097

Protest

Dear Honorable Members of City Council,

I am writing this letter to object to the Sup-19100, Variances 194⁴⁷ & 19098 & SDR 19097. I have been a long term resident of Las Vegas and an original owner of the home that is affected by these suggested changes.

It is unfortunate that Kryfam, LP has the approval for a hotel (two storeys). Moreover, due to the existence of this realty, the hotel changes the landscape of law abiding, peaceful and hard working neighborhood where both young couples and retirees live. It is a folly to suggest that such a change to our neighborhood does not affect us but it does. I am very concerned about a four storey hotel allowed to co-exist in a neighborhood where Las Vegasans retire in and play in.

While, members of this council may feel growth is good, it is not in this case. Allowing the suggested changes will no doubt bring in a non-residential citizens, more traffic and crime. As you are well aware, last week various media sources indicated that Las Vegas has now become one of the most dangerous places to live. While at this very moment, I have not seen this in my neighborhood, I will with the suggested changes. I urge and implore committee members to safeguard and protect this charming and endearing neighborhood. Finally, I would like each member to consider whether or not they would like a hotel less than a half mile affect their Shangri La. Please vote "NO" to all the proposed changes.

Sincerely,

Mr. K. Singh
