400 Stewart Avenue  
Las Vegas, NV 89101

November 22, 2006

Dear City Clerk;

On behalf of The First Presbyterian Church, I hereby appeal item SUP-13490 that was denied by the Planning Commission on November 16, 2006. The Planning Commission stated that they were denying the billboard application because of the time and money the City of Las Vegas has spent on getting the UNLV Dental School across the street. I believe this is an erroneous fact and the UNLV Dental School has in fact been notified at least three times and has not opposed this project and furthermore this is an appropriate place for a billboard.

Thank you in advance for your anticipated time and attention concerning this matter.

Best regards,
