Before considering Item 10, MAYOR GOODMAN welcomed the second and fifth grade Student Council representatives from Neil Twitchell Elementary School. Later, during Item 53 while DR. MORRIS was disseminating information to the Council, the Student Council President came forward, with other Student Council representatives, to share their fundraising experiences for various charities.

Immediately following the vote for Item 52, MAYOR GOODMAN thanked COUNCILWOMAN WILLIAMS for serving as Ward 5 Council representative, for her contributions to the Council and for agreeing to serve on the Licensing Authority Board. COUNCILWOMAN WILLIAMS thanked the Council for allowing her to serve, as well as commended CITY MANAGER SUTHER and DEPUTY CITY MANAGER FRETWELL for maintaining such an outstanding staff. She thanked Clark County COMMISSIONER LAWRENCE WEEKLY for recommending her appointment, which gave her the opportunity to make a big difference in Ward 5 during her short term. Her efforts included an additional 80 parking spaces at Doolittle Recreation Center, the reconfiguration of the jogging path at Doolittle, the alignment study between Washington Avenue and Bonanza Road and the installation of a traffic signal at Bonanza and Tonopah and at Comstock and Washington. During her short tenure, she made every attempt to stay in touch with her constituents. She encouraged the citizenry to become involved and the Council members to always keep in mind the best interests of the citizens of all the wards.
