

TO WHOM IT MAY CONCERN

I, Nasir Kosa owner of Value Market located at 1510 East Sahara, Las Vegas, Nevada 89104. I would like to apply for hard liquor license due to my Customers' request, because they like to do all their shopping in one store; so I would like to provide them with that type of convenience.

I have been in convenience store with liquor business since year 2000 and I have always obeyed the law.

At my current store as above, we feature the following items:

1. Groceries plus fresh vegetables and fruits
2. Gaming
3. Check cashing
4. Beer and Wine
5. Full line of fresh meat

I am hoping to add hard liquor as well.

I remain,

Truly Yours,

Nasir Kosa
