Minutes:

MAYOR PRO TEM REESE declared the Public Hearing open.

ATTORNEY CHRIS KAEMPFER, Kummer Kaempfer Bonner Renshaw and Ferrario, appeared on behalf of the applicant and explained the proposed amendment does not carry a zone change, use permit, waiver, site plan or a change in densities. The applicant would simply like to continue to work with concerned adjacent property owners, staff and City Council and all other interested parties to determine what uses for this property are compatible with surrounding and

existing zonings. He respectfully requested approval.

RICHARD LEMMON, 9645 Haley Avenue, appeared in opposition as it is inappropriate for the area. He indicated that according to an interlocal agreement between the City and the County, all the land west of Hualapai Way was Planned Community Development and all the land to the east of Hualapai Way, including the applicant's property, was Rural Density Residential. The proposed amendment would set a precedent in this area. He urged the City Council to deny the applications.

COUNCILMAN ROSS thanked Mr. Lemmon for attending the meeting and assured him that all future plans for this property would be presented to the public and brought forward to City Council. He is very mindful of what happens to this particular neighborhood.

MAYOR PRO TEM REESE declared the Public Hearing closed.
