PURPOSE/BACKGROUND:

Las Vegas Fire & Rescue has retired Rescue Unit #1470 due to age, miles, and maintenance issues. This unit, which would normally go to auction, is being requested by the Las Vegas Metropolitan Police Department (LVMPD) specifically for their Crime Scene Investigations Section. The rescue would provide space to carry specialized equipment for prolonged periods of time. The direct benefit to the public and LVMPD is the savings from a new vehicle purchase and to have a vehicle which accommodate their unique services. The donation is made under Nevada Revised Statute 268.028.

Vehicle #1470 - (2000 Freightliner Rescue Unit - Odometer reading 77,960 with a cracked block engine)
