3.02 **Adjustment of Compensation.** If the changes requested by the Agency cause an increase in the cost or time required for the Consultant to perform any of the services required hereunder, an equitable adjustment shall be made in the compensation to be paid to the Consultant under Section Seven, or in the time of performance under Section Eight, or both, and this Agreement shall be modified in writing accordingly. Any claim for adjustment under this Section must be asserted in writing within thirty (30) days from the date of receipt by the Consultant of written notification of the changes to the services to be provided by the Consultant unless the Agency grants in writing a further period of time. The Consultant shall provide the Agency annually a Certificate of Insurance as evidence of such insurance.

10.08 **Waiver.** No consent or waiver, express or implied, by either party to this Agreement, or of any breach or default by the other in the performance of any obligations hereunder, shall be deemed or construed to be a consent or waiver of any other breach or default by such party hereunder. Failure on the part of any party hereto to complain of any act, or failure to act of the other party, or to declare that other party in default hereunder, irrespective of how long such failure continues, shall not constitute a waiver of the rights of such party hereunder. 10.10 **Consultant's Employees.** The Consultant shall be responsible for maintaining satisfactory standards of competency, conduct and integrity, of personnel assigned to the Project, and shall be responsible for taking such disciplinary action with respect to such personnel as may be necessary. In the event the Consultant fails to remove any employee from the work of this Agreement whom the Agency deems incompetent, careless or insubordinate, or whose continued employment on the work is deemed by the Agency to be contrary to the public interest, the Agency reserves the right to require such removal as a condition for the continuation of this Agreement.

10.11 **Independent Contractor.** It is hereby expressly agreed and understood that in the performance of the services required herein, the Consultant and any other person employed by him hereunder shall be deemed to be an independent contractor and not an agent or employee of the Agency.

existing unless the parties mutually agree otherwise. Any arbitration arising out of or relating to this Agreement may include, by consolidation, joinder or in any other manner, any additional person not a party to this Agreement if so requested by either party to this Agreement. Any consent to arbitration involving an additional person or persons shall not constitute consent to arbitration of any dispute not described therein. This agreement to arbitrate with an additional person or persons, and any decision resulting therefrom, shall be binding and enforceable under the prevailing arbitration laws of the State of Nevada

C. Right of Joinder. Any joinder of the Consultant hereunder is conditioned upon the handling of such arbitration in accordance with the arbitration rules of the Nevada Arbitration Association or the American Arbitration Association. None of the time provisions imposed under Subsection C and D of this Section apply to the joinder rights provided herein in such a way as to preclude the Agency from joining the Consultant as a party to any arbitration proceeding which the Agency commences or is named as a party and which arises out of, results from or is connected with the construction of the Project.

If the Consultant is named as an additional party by the Agency, the Consultant shall not be entitled to any additional compensation from the Agency as a result of preparing for, and participating in the arbitration.

D. Notice of Claim. In order for the Agency to be able to arbitrate any claim, dispute or other matter in question between the parties, written notice must be given to the Consultant within sixty (60) days after the claim, dispute or other matter arises. The purpose of such notification is to place the other party on notice so that proper measures can be taken to properly defend against such claim, dispute or other matter, and the failure to give such notice shall preclude the party desiring arbitration from subsequently arbitrating that particular claim, dispute or other matter.

E. Arbitration of Claim. The filing of the aforementioned written notice shall preserve that party's right to arbitration, but shall not obligate the party to proceed with arbitration. In the event that either party desires to proceed with the arbitration of any claim, dispute, or other matter with respect to which such notice has been given, a written demand for arbitration shall be filed in writing with the other party and with the American Arbitration Association or the Nevada Arbitration Association within sixty (60) days after the filing of the Certificate of Substantial Completion with respect to the Project, and the failure to make such demand shall forever bar such claim, dispute or other matter from being arbitrated.

In the event of arbitration, it is agreed by the parties hereto that all means of discovery including, but not limited to, depositions and interrogatories will be afforded to the parties involved in the arbitration, and the appointed arbitrator shall have all authority to impose sanctions against either party for failing to comply with the rules of discovery provided under the Nevada Rules of Civil Procedure.

G. Award Final. The award rendered by the arbitrator shall be final, and judgment may be entered upon its accordance with applicable law in any court having jurisdiction thereof.

H. Mediation. By mutual written consent, in addition to and prior to arbitration, the parties may endeavor to settle disputes by mediation in accordance with the mediation rules of the Nevada Arbitration Association or the American Arbitration Association or as agreed by the parties. The sixty (60) day requirement for notice of arbitration shall be tolled between the dates of: (1) either party's receipt of a written request for mediation from the other party hereto; and (2) the requesting party's receipt of a written rejection of its request, or if not rejected, completion of the mediation itself.

10.21 Attorney Fees. The prevailing party in any litigation or arbitration brought to enforce the provisions of this Agreement shall be entitled to reasonable attorney fees and costs.

10.22 Calendar Day. All references in this Agreement to days are to calendar days unless otherwise indicated.

The Agency's representative acts in a capacity similar to that of a representative working for a private property owner which is to ensure that the Agency receives a quality product, delivered on schedule, for a fair price. Furthermore, the Office of Architectural Services does not speak or act for any regulatory authority, nor does any regulatory authority speak or act for the Office of Architectural Services. The Consultant agrees that its relationship with the regulatory authorities having jurisdiction over the Project is separate from its relationship with the Agency, and that the Consultant's interaction with each regulatory authority is to be conducted without assistance from the Agency.

The work of the special inspector includes the observation of all testing required by the Building Department for the Project.

If the Consultant is removed from this qualified list, or otherwise limited in performing their duties and responsibilities under this Agreement, the Consultant does hereby agree to subcontract their responsibilities to a properly qualified consultant at no additional cost to the Agency. The Agency shall have the right to approve any such subconsultant prior to their use.

If the Contractor refuses to sign any such notice or notes a disagreement on the notice along with the signature, the Consultant shall continue providing services as required by the "Continued Service" provisions of Exhibit "E", and should the disagreement be resolved in accordance with the provisions of this Agreement in favor of the Consultant, the Agency shall make a good faith effort to withhold such compensation from the Contractor and reimburse the Consultant. The Agency shall not be obligated to compensate the Consultant for such services if the re-inspection and re-testing service claim is invalid as defined herein.

The Consultant shall timely notify the Agency in writing should the Contractor fail to compensate the Consultant for any re-inspection and re-testing services, so that the Agency can make a good faith effort to withhold such compensation from the Contractor and reimburse the Consultant. Should the Consultant fail to provide such notification of non-payment to the Agency the earlier of: 1) 60 days after providing the service, or 2) 30 days after Substantial Completion of the Project excepting those services performed after Substantial Completion, the claim for such service shall be invalid and no compensation shall be paid to the Consultant.
